

A background image of a laptop screen displaying the WordPress dashboard. The screen is tilted and has an orange overlay. The dashboard shows a 'New' button, a 'Add New Post' section with a title 'How I promote my new blog posts', and a featured image of a person and a drink. The text on the screen is partially obscured by the overlay and is in a lighter shade of orange.

# WORDPRESS SERVICES

Keep your WordPress website up-to-date and protected with our specialist WordPress services

## WORDPRESS HEALTH CHECK

Our WordPress Health Check will include suggestions to help reduce your WordPress website loading time, and therefore, improve your SEO results.

We'll need 24 hours and access to your WordPress Dashboard - once we have this we'll evaluate your entire website (plugins, themes, media files and content).

Once this is complete we'll provide a bespoke list of changes that can be made to improve your website. Some detail we'll need your help with - but most we'll be able to do ourselves.

**£69 PER WEBSITE**

For more details or to arrange a WordPress Health Check for your website, get in touch.

**07966 096671**

## WORDPRESS BACKUP & RESTORE

What happens if your WordPress website is compromised... Do you have a backup available? How do you restore it? How long will it take?

Our WordPress Backup & Restore service will backup your entire site (plus database) with one, simple plugin.

In the case that your WordPress website is compromised we'll get it back up and online within 24 hours of your notification.

**£8 PER MONTH**

For more details or to arrange WordPress Backup & Restore for your website, get in touch.

## WORDPRESS WEBSITE MANAGEMENT

It's not just about updating your WordPress website content, your whole site needs looking after too. You need to look after your WordPress plugins, themes and databases too.

WordPress Website Management will keep your entire website up-to-date, reducing the risk of your website being compromised. It'll also keep your website lean and mean by deleting older, unnecessary files that will reduce your site speed and improve your search engine results.

Plus, we'll include our WordPress Backup & Restore service.

**£9 PER MONTH**

**+1 HOUR DEVELOPMENT TIME £29 P/M**

**+2 HOURS DEVELOPMENT TIME £39 P/M**

**+3 HOURS DEVELOPMENT TIME £49 P/M**
